To Whom It May Concern:

Christian Agpaoa is a student enrolled in good standing at Columbia College Hollywood. The student is currently taking a course where students must shoot their own projects. As the VP of Operations, I can attest that Christian is well trained in both production and safety techniques, as well as having a deep level of respect for actors and crew on a set.

The College does cover $2 million in damage and liability, save a $2,500 deductible, which is the responsibility of the individual students, should the need arise. Per the guidelines of our College, this project is not being made for commercial profit of any kind, and as is the case with many student films, the project is being shot on a no-frills budget. Therefore, we hope you can give Christian any aid possible. The title of the project is "SILENCER" and the scheduled shoot date is June 13.

If you need further verification, please do not hesitate to contact me at polmstead@columbiacollege.edu

Patrick Olmstead
